

# Check-in instructions and directions to our home at 183 Upper Village Way, Tannersville, PA

**1** Google Maps or any GPS should get you this far...

Upon arrival at the community and just before it has you turn left on Cross Country Lane, stop at the office on the left for your parking pass and community information. If you arrive and the office is closed, just proceed to Step 2.

**2** After checking in, proceed to Gate B which is just up from the office on the left. Make sure you're at Gate B, which is the 2nd entrance. If you were able to check in at the office you have your gate card and don't need to stop at the guard house. If the office was closed when you arrived, park near the guard house and check in there before proceeding to the gate. Please don't block the gate while you check in.

**3** Head up the hill!

After the road turns right you're going to see a sign on the left for Cluster 5. Turn in there and our house is the very first building on the left, 183.

Feel free to park right in front to unload, but move your vehicle into one of the parking spots as soon as you're done. Make sure you display your parking pass at all times, they will ticket you!

Note that there is no assigned parking, so park anywhere you can find a space.
